

ASUS Vivobook X556UB

Full SKU: ASUS Vivobook X556UB-XX039T

My primary laptop, although it's too bulky to really take with me anywhere. Honestly, I regret getting this thing; at the time I cared more about how much power I could get for the price rather than things that actually matter like build quality and the screen (both of which are substandard on this machine).

Specifications	
CPU	Intel i5-6200U
GPU	Nvidia GeForce 940M
